

# SCHOOL BUS

# MONITORS

School Bus Monitors help to ensure that all students have a safe bus ride to and from school. Senior students volunteer to become bus monitors and are there to help the younger students get on and off the bus and assist the bus driver if any problems arise on the trip to or from school. There are 1-2 bus monitors per bus and a different student can volunteer to be the bus monitor each month.

# DO'S & DON'TS At the Bus Stop

DO make sure the driver can always see you.

DO stay back from the road.

DO wait quietly in line.

DO stay back until the bus stops, it's lights start flashing and the door opens.

DO enter the bus single file.

DON'T push or shove.

DON'T run into the street.

DON'T throw things.

DON'T stop to pick up anything that drops while you are crossing in front of the bus.

DON'T yell or shout.

DON'T bring your pet on the bus.
