Mayor Taso, Chair and Members of the Belleville Police Services Board,

Firstly congratulations to you all in your successful selection of a new Belleville Police Service Chief and Deputy Chief of Police.

I am writing to especially congratulate you all in selecting Deputy Chief Mike Callaghan. I had the honor of working with DC Callaghan when he was a Staff Sergeant – Youth Squad and Guns and Gangs Unit, with the Ottawa Police Service. At the time, I was a civilian member of the Ottawa Police Service, responsible for developing and implementing a Policing Youth Strategy. I can assure you that at the time, it was not popular to have police engage in pro-social interventions with hard to serve youth. If it were not for the leadership of then Staff Sergeant Mike Callaghan, his unwavering persistence, his willingness to lead by example, his patience and outstanding support, my evidence-based program would have never gotten off the ground.... In fact with Staff Sgt. Callaghan's strong advocacy for our efforts in policing youth in a timely, meaningful and effective manner, I can attest that thousands of youth were assisted and diverted from the criminal justice system.

I would have personally loved to attend the swearing in ceremony of this remarkable leader (DC Callaghan) however sadly I am now presiding as a Justice of the Peace and am seized with a trial on that date.

Again, many thanks for the invitation to attend and my heartfelt congratulations to you all in selecting such an amazing leader to be your Deputy Chief!

Kindly,

Louise Logue

Belleville Police Services Board

Subject: United way Recognition- Detective Sergeant Pat Kellar

Chief's Briefing Notes:

I am very pleased to announce that the Belleville Police Service contributions for the United Way campaign recently finished and that we have surpassed last year's donations by almost four thousand dollars.

The Belleville Police Service donated \$10,446 to the United Way. Many of the contributions were eligible to be matched by Mr. Maurice Rollins.

Total Donations including the matching by Mr. Rollins = **\$16,730**

This is an incredible amount of money that will be given within our community, and I'd like to recognize the willingness of the officers and staff of the Belleville Police in front of the Board for their giving, and support of our community outside of their official capacity as Police. Behind the scenes, and outside of their official duties as officers and staff members, our Police Service is filled with champions for those in need, and the volunteerism and giving of our Police Service members is worthy of praise.

The United Way of Hastings and Prince Edward presented a lovely local framed print for the Belleville Police Service's outstanding commitment to the United Way campaign.

In Camera

Date of report: 25 November 2016

Date of meeting: 30 January 2017

Mayor Taso Christopher, Chair
And members of the
Belleville Police Services Board

Subject: Court Services Third Quarter Report 2016

Chief's Recommendation: "That the Belleville Police Services Board review and file for information."

Belleville Police Service Courts Services

The unit consists of police officers, special constables, and two civilian support staff, one full time and one part time who maintain an office at the police and court facilities.

Court Office

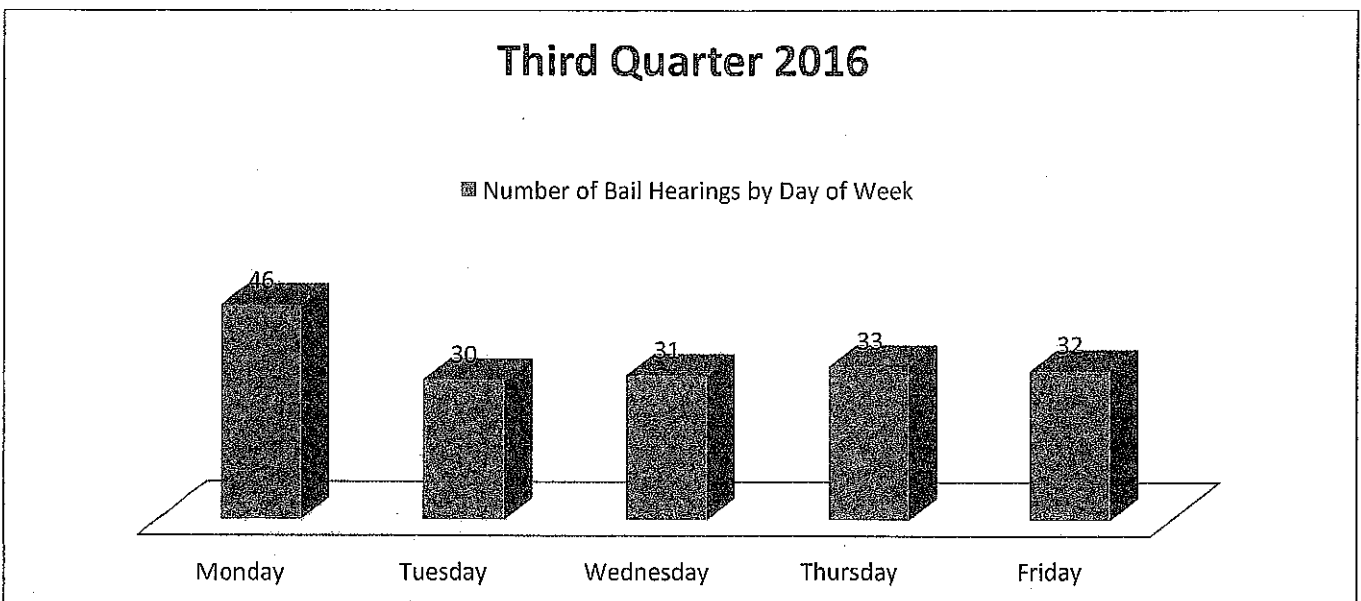

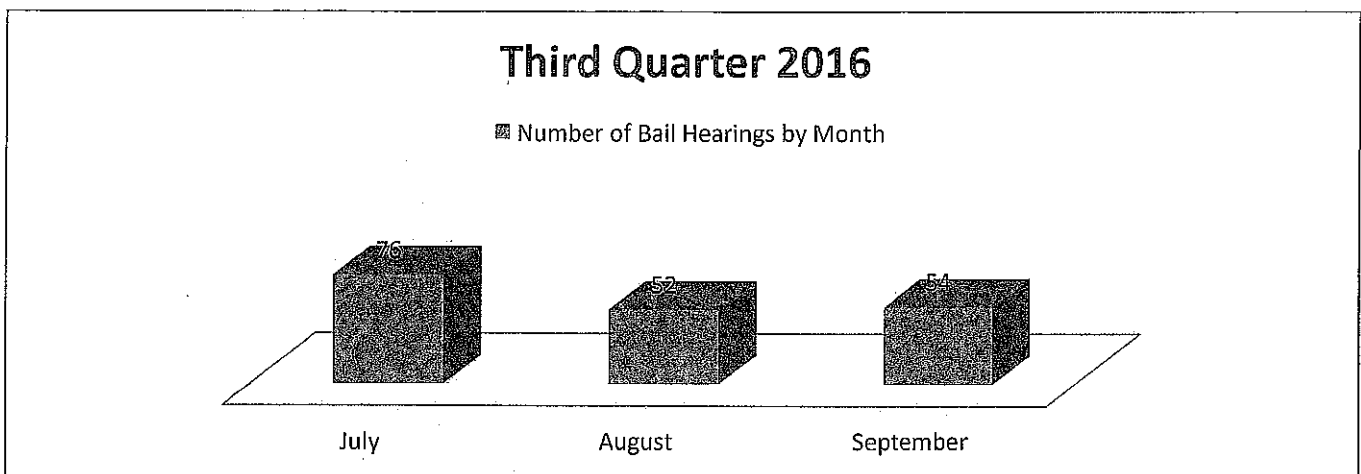

The Court unit liaises with the Crown Attorney, Court Administrator, Provincial Prosecutors, Probation Office and Victim/Witness Services, as well as other police and civilian agencies, with a view to ensuring that police charges are properly prepared and processed through the courts. They are also responsible for providing service in relation to serving court related documents, court appearances, bail hearings, trials, transfer of charges as well as maintaining accurate and timely records on Niche and CPIC. Members of the unit are in frequent contact with a host of other police services and agencies such as the Judiciary, Defence Counsel, Court Administrative Staff, public and private agencies regarding victims and offenders, as well as the general public. The Unit prepares Criminal Code information for charges stemming from court matters (i.e. failure to appear in court), prepares charges on behalf of the probation officer, and notifies and cancels witnesses as required. Additionally, the unit ensures that Crown instructions for pending court proceedings are relayed to officers.

During the third quarter of 2016, 24 Criminal Code charges were processed and laid by the Court office staff compared to 25 during 2015.

What is a bail hearing?

If police do not release the person who has been arrested, they must bring the person before a justice for a bail hearing within 24 hours or as soon as possible. A bail hearing is a procedure where a judge or a justice of the peace determines whether a person charged with an offence should be released or held in custody pending trial. On the appearance date the accused may enter into a consent release situation whereby certain conditions are agreed upon and must be followed, elect to run a hearing to be released if there is no consent by the Crown for release, or ask that the hearing be adjourned in order to find a suitable surety to attend court to assist with the release conditions and supervising the accused.

During the third quarter there were a total of 172 instances where an officer was required in court with regard to a bail hearing being scheduled, whether a first appearance or an additional appearance due to an adjournment compared to 200 in 2015.

Court Security – Special Constables

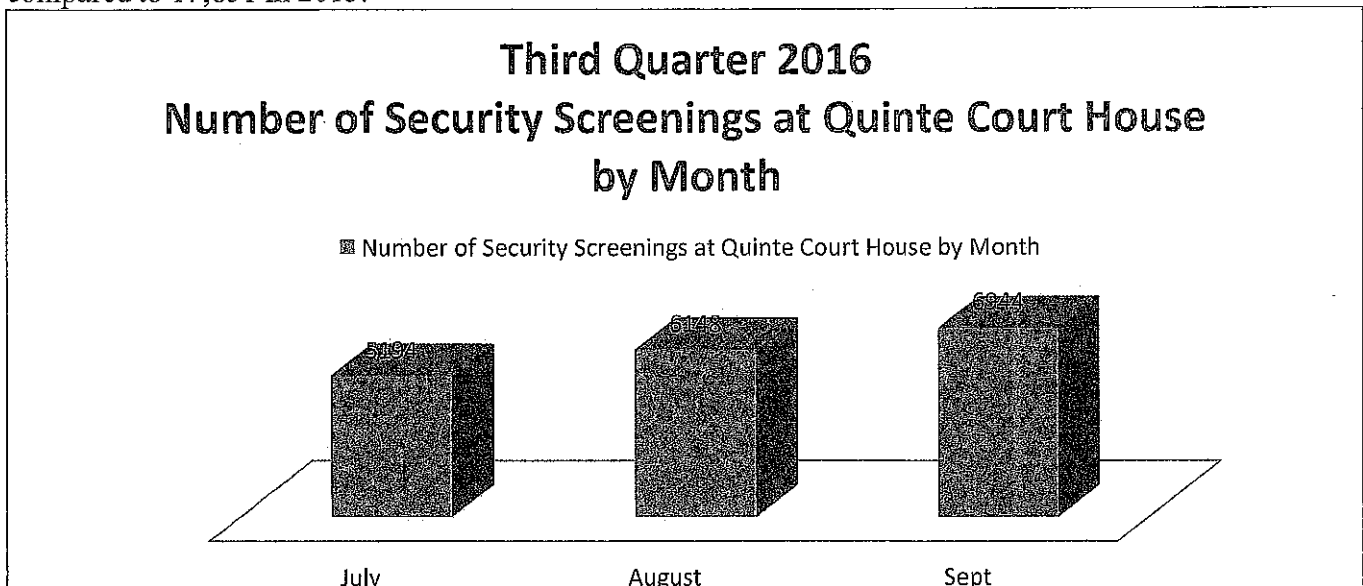

Special Constables are civilian members who play an important role within the Belleville Police Service. Once hired, the Chief of Police swears in members as Peace Officers. Special Constable is a designation issued by the province of Ontario, providing members with a limited Law Enforcement role in the City of Belleville.

The Special Constables ensure the security of Justices, Judges, Justices of the Peace, Court staff, all occupants of the courthouse and all persons taking part in or attending court proceedings and the security of court buildings during the hours when the courts are operating. They provide professional care, custody and transportation of people who are in custody from various detention facilities as well as anyone taken into custody during court proceedings. The unit escorts prisoners within the courthouse to ensure timely, safe and secure appearances in the required courtrooms.

Special Constables are responsible for fingerprinting and gathering DNA samples for the DNA Data Bank. Under the Canadian Criminal Code, judges can order those convicted of designated offences to provide samples for DNA analysis. Young offenders can be included in the DNA Data Bank. The DNA Data Bank helps investigators identify suspects, link crime scenes where there are no suspects, eliminate suspects, and determine if a serial offender may be involved in a crime. DNA kits are prepared by the RCMP National DNA Data Bank and supplied to the Service. The Special Constable has to take the offenders fingerprints and blood droplets for submission. They are also used for special events, subpoena service, ground searches and any other duties assigned by the supervisor to assist other units. The Unit completed 28 DNA court ordered samples compared to 22 in 2015.

As part of the Court Security Plan, Special Constables staff the entrance of the courthouse to operate the magnetometer and x-ray machine in order to screen individuals entering the courthouse. They are looking for any items that may pose a security risk such as; guns, knives, scissors, etc. If an item is found, the individual is given the option of removing it from the courthouse to allow entry or forfeiting it for destruction.

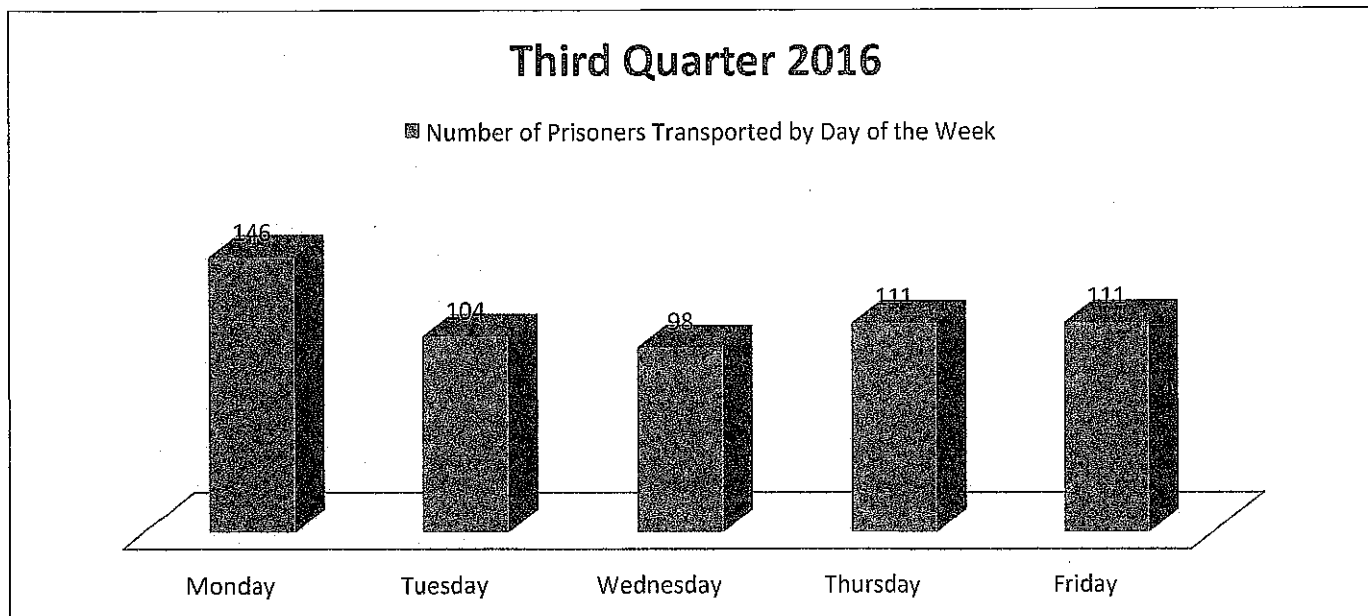

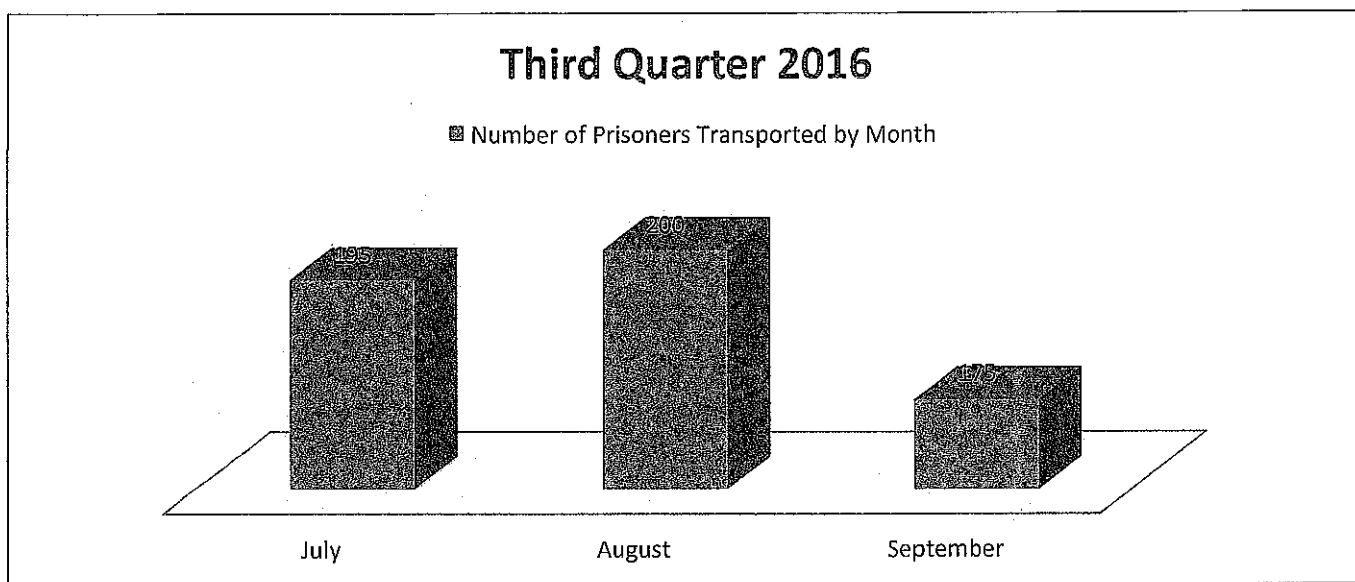

The following graphs indicate the number of persons screened during the third quarter for a total 18, 286 compared to 17,651 in 2015.

The Quinte Courthouse serves 3 Police Services, 4 OPP detachments and the Military Police within the County of Hastings: Belleville Police Service, Stirling Rawdon Police Service, Tyendinaga Police Service and the Military Police, Quinte West OPP, Centre Hastings OPP, North Hastings OPP and Prince Edward County OPP (for bail hearings only).

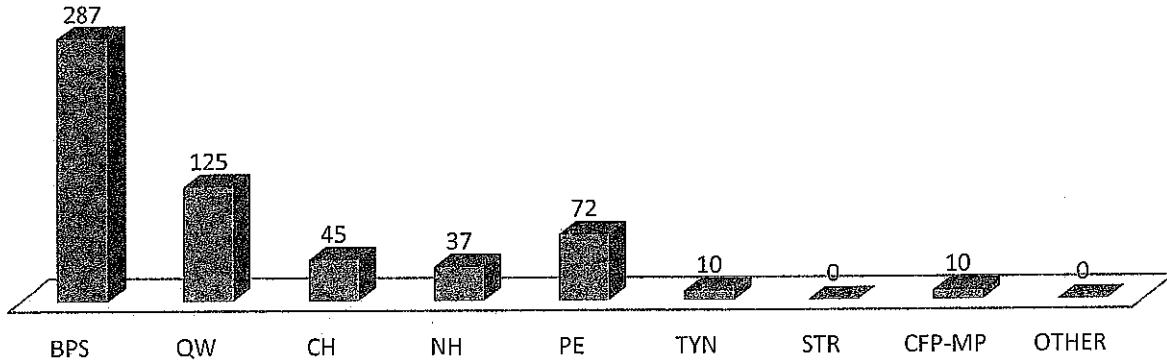

Prisoner transportation is shared between the Belleville Police Service and Quinte West OPP, who supply two Special Constables to operate their prisoner transport vehicle. There is the requirement to attend at the Quinte Detention Centre (Napanee) in the morning to pick up prisoners and then to return the prisoners at the conclusion of court. On a weekly rotation basis, Belleville Police Service is responsible for either the morning transport or the afternoon.

The following graphs indicate the number of prisoners transported during the third quarter for a total of 570 (587 in 2015); 287 (282 in 2015) Belleville Police Service prisoners and 283 (305 in 2015) for the other services and OPP detachments.

Third Quarter 2016

■ Number of Prisoners Transported by Police Service

Note: Quinte West, Centre Hastings, North Hastings and Prince Edward are OPP detachments.

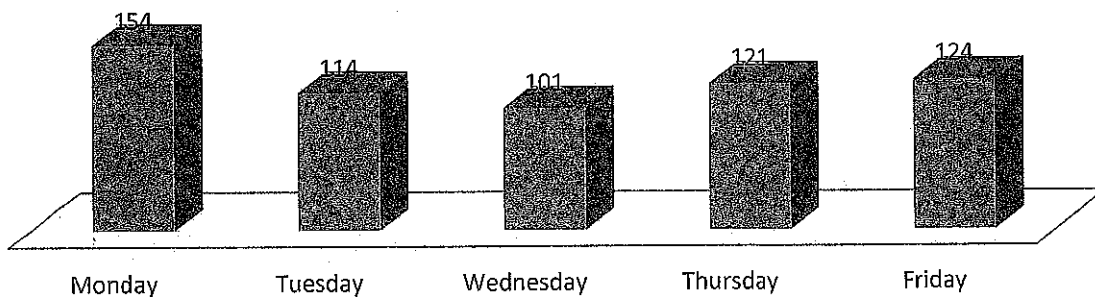

The following graphs indicate the number of prisoners handled at the Quinte Courthouse. This is where a prisoner is arrested the day before or day of the court appearance. The prisoner is not transported on the escort wagon and would not be captured in that data. The prisoner would attend the courthouse, be housed, escorted to the courtroom and released. The stat would not be captured in the number transported.

For comparison, the number transported is 570 and the number handled is 614 for the third quarter of 2016.

The following graphs indicate the number of prisoners handled during the third quarter for a total of 614 (610 in 2015); 294 (282 in 2015) Belleville Police Service prisoners and 320 (305 in 2015) for the other services and OPP detachments.

Greetings returning and prospective members!

Thank you for your support and participation in the Ontario Association of Police Services Boards (OAPSB). Your Association has worked diligently on your behalf to continue to provide value-added services and representation on issues affecting Police Services Boards in Ontario.

Through our conference, seminar, web site and emails, we aim to keep you and your Police Services Board up to date on issues. These timely resources keep you current on changing policies and events to help your own Board respond to issues in an effective way.

Your OAPSB Board members, staff and volunteers are engaged in various committees and working groups providing input and perspective on the issues and decisions impacting policing and police governance. This representation is important to ensure that OAPSB's advocacy efforts and government relations activities support our mandate and your interests.

Please be advised that at its meeting in July 2016, the OAPSB Board of Directors approved the membership fee schedule with a modest increase of 2.0% for 2017, to cover some of the impact of inflation.

To renew your membership, please click on the link below which will prompt you through the renewal process.

Once again, we thank you for your membership and look forward to continuing to serve you in 2017.

Sincerely,

Eli El-Chantiry
President
